Dear Parents and Community Members...

By the time this week draws to a close, we will be halfway through the term. I cannot believe how quickly time is passing!

The cooler weather is certainly being felt and with it brings many jumpers and jackets – some of which are unnamed and left in the playground by students. This makes it very difficult to return to the correct owner. Please assist us by labelling your children’s uniforms clearly.

Our very first Buddy Class assembly was beautifully organised and run by the students from 5/6C and 1/2R last Friday. Having the older and younger students work together to achieve this taught some terrific lessons in collaboration and understanding.

Thank you to everyone involved including Miss Coats and Miss Rivett. The next Buddy Class assembly will be held in Week 9, with regular junior and senior assemblies scheduled for Week 7.

Congratulations to our debating team who had their second win, defeating Inverell Public School. They have their next debate at Sir Henry Parkes next week on Thursday, May 28. Just like the State of Origin the night before, it will be mate against mate. Who will win the debate?

In closing, a few further requests:

- A number of team sport uniform items have been taken home by students for laundering and have not been returned to school. If you have any netball, hockey or other such pieces at home, please return them with your child.
- The first playground duty of the day commences at 8.30am. For safety's sake, please avoid sending your child to school before this time.
- Occasionally we are unable to contact parents because they have not updated their details with us. If you have changed your phone number, street address, or emergency contacts, please do let the front office ladies know.

Many thanks, and have a wonderful week,
Sue Charles
MEAL DEAL - “Henrys McCheese burger”

Enjoy a freshly baked bun filled with a meat patty, cheese and tomato sauce plus a popper and a bowl of ice cream with chocolate topping and a wafer biscuit $5.

Other choices: 2 chicken strips $2.40
Tray of lasagne $3.50
The students in the Sunshine Room have been doing a variety of things over the last few weeks. The students had an amazing time on our last excursion. We filled the bus, that was kindly donated by the Tenterfield Golf Club and went to Inverell’s Shake Rattle and Bowl.

In preparation for ANZAC Day students and friends baked their own ANZAC biscuits.

The students have been working on a unit of work on Transport, with a focus on reading and other KLA’s. These pictures show some of the work they have done.
BOOK CLUB

Book club has been handed out and is due back to the front office by 9:30am on Thursday, June 4.
