Dear Parents and Community Members...

Welcome to another week. Don't forget that the Athletics Carnival is being held on Friday. If you can make it along to support the students, it will really add to the excitement and atmosphere. Please do remember to notify the school via the note sent home, of arrangements for your child in getting to and from the carnival so that we can account for the whereabouts and safety of all students. It should be a terrific day. Let's hope the weather is kind.

Rotary is hosting a Trivia Night at the Golf Club on Saturday evening. A portion of funds raised will be donated to our school canteen. If you would like to help out by getting a group of friends together to create a table, the details are contained within this newsletter.

We currently have a few nasty germs circulating around the school. I have spoken with staff about demonstrating to children how to cough into their arm rather than into the air, and to ensure that any sores or lesions are covered up with a band-aid.

Please assist us by reinforcing this with your children, however if they are visibly unwell, I encourage you to keep them at home. Thank you for your assistance with this.

Enjoy your week,
Sue Charles

Girls P.S.S.A Knockout Hockey

Last Thursday the girls hockey team travelled to Armidale to play against Ben Venue. After a slow start, the girls quickly found their feet and were working as a team to defend against the very strong Armidale team.

Annie-May Newman was a fantastic goalie keeping out many Ben Venue attempts at goal. The girls had some great attacking moments with Bree McCowen and Nikkala Hillier making a few breaks and getting the ball towards our end of the field. Hayley Carpenter and Jaynika Hollis demonstrated excellent leadership qualities helping to organise the girls on the field. Although the girls were defeated they all played extremely well and I am proud of the excellent sportsmanship shown by them all. Well done to all the girls in the team. Thank you to Derek Gater, Mrs McCowen, Mrs Carpenter and Mrs Wishart for assisting with organising the girls on the day.

Athletics Carnival

The annual Athletics Carnival will be held this Friday, May 29 at Federation Park commencing at 9am.

Students have been practising for each event and will be competing on the day for selection for events held on the day and placement in the Zone Athletics Carnival held in Tenterfield Friday, July 31, 2015.

3/4T REPORT

ANZAC Men
3/4T has been making ANZAC men. First we did the background, it is blue, green and yellow, then we cut out the people and made the clothes out of felt, then we made the face and hats. We used string to hold on the hat and it was hard not to make them look happy but some do and then we put buttons down the front. All of them have black shoes.
Kira and Anita

Paper Machè – Creative Art
3/4T has been creating Bumble Bees using the process of paper machè. We painted the body yellow, the stinger black. The eyes were white with a black dot on the eye. We drew two lines around its body and painted them black.
Michael, Malik, Cornell, Charlie and Coby.

What we’ve been doing in maths
In maths we have been doing some cricket maths, baseball maths and concentrating on some patterns and sequences. We’ve also been applying our knowledge of times tables, division, subtraction and addition through games and quizzes.
Ryan, Lily, Ava, Emilyah, Kya-Rose and Joseph P

We have been studying Fantastic Mr Fox in English, we have been visualising, what Boggis, Bunce and Bean look like. Boggis is a chicken farmer, he is enormously fat. Bunce is a goose and duck farmer, he is kind of a pot-bellied dwarf. Bean is a turkey and apple farmer, he is as thin as a pencil and the cleverest of them all.
Nate, Amanda, Bella, Laura and Annabel.

Science
In science we have been learning about land forms, and minerals and how we live. They are all fun to learn about and they are also interesting to learn about. We also are learning about life cycles of water, bees, flowers, animals, butterflies and frogs. Science is fun subject we are also learning about continents and places of the Earth.
Rosie, Chloe, Milly, Kasey, Joseph A and Abby.

Congratulations to Annabel Roffey our new Class Councillor.
Congratulations to Abbey Holley who was selected for the North West team, Bonnie Zappa was selected in the Possible n Probables and Katie Eaton played really well on the day.

Well done to the five boys who also travelled to Armidale for the North west trials. You all played fantastic on the day.

Book club has been handed out and is due back to the front office by 9:30am on Thursday, June 4.
