Dear Parents and Community Members...

What a terrific start to winter we had yesterday with staff enjoying hot soup at lunchtime and the comfort of wearing their slippers! This was a fun way to raise funds for the Shake it Up Foundation, an organisation dedicated to researching a cure for Parkinson's Disease.

Our School Administration Manager Merelyn Gibbins will be taking part in a sponsored marathon on the Gold Coast on July 5 for this fundraising initiative. More details can be found at https://shakeitup.org.au Good on you Merelyn!

I was really pleased with the high levels of student participation in our Athletics Carnival this year and wish to congratulate and thank the organisers, staff and many helpers for the successful implementation of this annual event.

A special thanks to Miss Julie Slobin for the many additional hours she contributed despite being unwell. Derek Gater and Dennis Hillery also need special mention for the untold extra hours and functions they contributed. Thank you.

I would like to extend a welcome and congratulations to Mr Cam Pryce who will be taking up a permanent position as Assistant Principal at our school. Cam is currently the Principal at Mingoola PS and will join our staff once a suitable replacement for Mingoola is found.

This fills the Assistant Principal vacancy left by Stephen Manser.

Miss Hayley Coats will continue in a relieving capacity as Assistant Principal against the position normally occupied by Mrs Lorelle O'Brien.

Lorelle's Instructional Leader role assisting teachers to identify, develop and implement effective literacy and numeracy teaching strategies, remains in place for another 18 months.

Congratulations to Hayley, and many thanks to Mrs Deb Thomas who has also been relieving as an Assistant Principal throughout semester one and for much of 2014. Deb will continue to be a great support in our school in her ongoing role as classroom teacher.

Don't forget the public holiday next week! Enjoy the remainder of this week.
Sue Charles
**CANTER**: Munch and Crunch

- **Nachos**: A tray of corn chips with meat sauce topped with melted cheese plus a popper and ice cream in a cone dipped in sprinkles $5.00

**Red Shield Appeal—THANK YOU**

Thank you to the following students who took time out on Saturday and helped with the door knock appeal, Crystal Soper, Haylee Shepard, Jade Sargent, Alex Butler, Jaynee Soper, Olivia Soper, Matilda Ebbenn, and Annie Ebbenn. They helped the Red Shield Appeal raise much needed funds for those in need in our community.

Thankyou to everyone who contributed.

**RED SHIELD APPAL**

- Crystal Soper
- Haylee Shepard
- Jade Sargent
- Alex Butler
- Jaynee Soper
- Olivia Soper
- Matilda Ebbenn
- Annie Ebbenn

They helped the Red Shield Appeal raise much needed funds for those in need in our community.

Thank you to everyone who contributed.
In our class our students have been participating in many activities like boys and girls group, guitar, debating and choir. We have also loads of sports representatives.

We have been reading Wonder during our Crunch break and it is about being different to other people and as a class we have also been reading Harry Potter and The Philosopher’s Stone.

We have been working on measuring length, mass, volume and capacity in maths, writing our own magical lands in Writing and sharing our writing with our peers in Writers Workshop. We, at the start of every day, play a game of Alphabet to get our blood and brains pumping, we also, in the Monday middle session, participate in Dance. We recently had the Athletics Carnival and competed in this with great vigour.

We have been having our Science lessons with Miss Thomas and recently have had to put together a project on Plant and Animal Adaptations. I look forward to seeing other peoples projects.

In HSIE we are using computers and Ipads to research Kakadu Nation.
BOOK CLUB

Book club is due back to the front office by 9:30am on Thursday, June 4.
