Dear Parents and Community Members...

The term is rapidly coming to an end, but there is still much to keep us busy until then.

This week will see Debating here at school and a regional team to Coolah for the cross-country.

Next week there will be Dance Fever, Soccer, a Netball Clinic, and a visiting Aboriginal Dance group. We will also have our second Buddy Class Assembly. In the last week of term we will have the final Dance Fever lesson/performance, the PB Assembly, NAIDOC celebrations, reports home and Rewards Day. Of course our regular sports afternoons, Drumbeat and buddy class activities also continue each week. A busy time indeed!

There will be a special assembly this Thursday at 10.15 for recognition of our winners from the Athletics Carnival.

Next week we will be welcoming a further member to our teaching staff, as student numbers have climbed to more than 270.

Mr Luke Pearce will be joining our us for the remainder of the year bringing with him particular skills in Music and Technology. We look forward to having Luke on board.

A further reminder: please do not send or deliver your children to school prior to 8.30am, which is when the first supervision duty of the day commences.

This is in the interest of the safety of all our students. Many thanks for your co-operation.

Have a good week everyone,
Sue Charles

**Debating**

This year we have two debating teams made up of eight students from years 5 and 6 students.

Last Tuesday, the Arguers travelled out to Mingoola for their first debate of the season. I am proud to say they did a terrific job and came away with the win.

The Arguers are Mackenzie Cox, Anika Rossington, Kori Eaton and Rosh Caldwell.

Congratulations on a great debate. Next Friday, May 15, the Persuaders will be heading to Inverell to participate in their first debate. We all wish them well.

We have been so busy this term. We had to persuade Miss Bridge to let us make Delectable Healthy Sticks. We managed to convince her to go shopping and buy the ingredients once we had listed them in a procedure text. Mrs Hillier and Mrs Petrie assisted us with constructing the sticks. They were so delicious. As a treat we also added marshmallows.

Our assembly item was so much fun.

We made up a dance to Chubby Checker’s song Lets Twist Again.

It was a lot of fun dressing up and jiving to the beat of the music.
