Dear Parents and Community Members...

This Friday we will be holding the Spelling Bee. Some students from grades 3-6 will be competing on the stage in the Primary Hall from 9:30am.

Parents are welcome to attend. Good luck to all the students involved.

Wednesday next week there will be some workshops run at the school by Inverell Outreach. These workshops will touch on mental health awareness. Years 5 and 6 are invited to attend the workshops in the afternoon and an additional session will be run from 3:30pm for parents in the Primary Hall. It would be great to see you there.

Thank you
Lorelle O’Brien

Transition to Tenterfield High School

The forest floor only gets 1% of sunlight.
Charlie Smith

Only 2% of sunlight reaches the forest floor.

I have learnt a lot about animals in the rainforest.
Jamie Eilen

The soil in a temperate rainforest is thicker and richer than in a tropical rainforest.
Nikkala Hillier

Most of the rainforest life lives in the canopy.
Kyle Blain

Rain still falls when all trees are cut down.
Tahlia Zellers

The rainforest has lots of animals.
Shikya O’Connel

The forest floor only gets 1% of sunlight.
Charlie Smith

Some trees expand and make the size of football fields.
Bree McCowen

Some animals live in the canopy and never touch the ground.
Jessica Thomas and Ralph Thomson

The canopy blocks 95% of all sunlight.
Koshan Caldwell

Rainforests provide 40% of the world’s oxygen.
Abby Holley

Over half the world’s plants and animal species live in the rainforest.
James Beltrame

If people clear a rainforest, the top soil will wash away because there is nothing holding it.
Toby Watt

There are 1600 birds that live in the rainforest.
Katie Thompson

There are over 1000 types of trees.
Melanie Mcgarry

There are 350 species of snakes in the rainforest.
Isabella Stuart
